

Barkers Mill

ANNOUNCEMENT

Parents, this is a reminder that if you bring your child(ren) to school, you must go through the car rider line. We realize it is busy, but it moves quickly in the mornings. If you attempt to bring your child to the front of the building, we will ask you to go to the car rider line. Students unloading in the front of the building is a safety issue. Our staff has the responsibility of unloading students from buses. Our undivided- focus needs to be on our students riding the bus to school during this time. When parents bring their child(ren) to the front, our attention is taken away from our students unloading the buses, which again becomes a safety issue as we have unauthorized adults in the bus area.

When students come to school through car riders, we know they are safe, and an adult assigned to car riders will ensure the safety of your child(ren). Bringing your child(ren) through the car rider line, they will ALWAYS have an opportunity to eat breakfast.

We appreciate your ongoing support of Barkers Mill Elementary. Additionally, we appreciate your commitment to our total student population and our safety rules on our campus.
